

# WENDY LAWRENCE CERAMICS HANDBUILDING WORKSHOPS

I teach handbuilding techniques including slab building, press moulds, coiling and combining these techniques, clay consistency, carving, surface texture/pattern, refining and finishing. The weekends are a total ceramic immersion within the tranquil setting of Greenyard Ceramics. Workshop hours are approx. Friday 4-6pm, and Saturday/Sunday 9.30am-4.30pm. The course includes vegetarian lunches, afternoon tea, a bag of clay, and firing.

Accommodation is available on request.
